

# St. Gregory the Great Catholic School

In Partnership with

## EAST LOS ANGELES COLLEGE

Will be Offering

### Free College Classes For 7<sup>th</sup> & 8<sup>th</sup> Graders

**ENROLL TODAY**

### What is Dual Enrollment?

Dual Enrollment program allows middle and high school students to earn college credits while attending middle and high school. Credits earned can be transferred to many colleges and universities.

### College Course Offered

#### MIT 220 -Intro to Robotics: 3 Units (CSU)

This introductory course in robotics emphasizes hands-on experience to build a basic functional robot. Students learn about electric motors, servos, sensors, switches, actuators and their application in a robot. Students learn Basic Stamp computer programming and its integration into a working robotic unit. The course also includes mechanical assembly, connecting electronic components, wiring and soldering, and testing.
