

Dear Parents,

My name is Miss Mila Reyes, and it is my pleasure to be your child's music teacher!

This year, there will be two choirs available for your child (grades 1-8) to join. It is important to note that the children will not be performing at Mass, but rather will be assisting the congregation with singing and praying at Mass. **Please refrain from taking photos or videos during Mass.** There will be opportunities for photos before and after Mass.

The **school choir (for grades 3-8)** that meets every Tuesday and Wednesday from 3pm-4pm. This choir assists with music at the Wednesday school Masses and other special school events. Attire for school choir is school uniform. Please refer to the parent handbook for details on attire. If you are unable to bring your child to weekly rehearsal regularly, please refrain from enrolling your child as the choir depends on all its singers.

The **church children's choir (for grades 1-8)** meets for practice at 7:15am before the 8am Sunday Mass. Any child that arrives after Mass begins will not be permitted to sing. Therefore, please arrive by 7:15am. This choir assists with music at the 8am Sunday Masses during the school year and the Family Mass this Christmas. Attire for children's choir is school uniform or Sunday best (modest dresses or dress pants and dressy shirt). If you will be out of town this Christmas, please inform me by email of your child's absence. By committing your child to the church children's choir, you are also committing you and your family to also attend and sing during Sunday Mass from the pews. If you are unable to attend the 8am Sunday Mass regularly, please refrain from enrolling your child as the choir depends on all its singers.

Any child within the grade levels listed above may join both choirs. You will be notified if additional rehearsal time is needed to prepare for special music programs.

Any solo singing at Mass is based on consistent rehearsal and Sunday Mass attendance, level of singing skills, and behavior. If your child plays an instrument and would like to do so at Mass, please contact me by email. Feel free to reach out if you have any questions by emailing me at mreyes@sggknights.org.

Blessings,
Miss Reyes

PLEASE RETURN BOTTOM PORTION TO SCHOOL OFFICE

☐ School Choir

☐ Church Choir

I understand and accept the commitment I am making by enrolling my child in the above choir(s).
